Section 8 - Office and Financial Policies

Welcome to **Neurology Consultants of Arizona**! It is our pleasure to provide you with excellent health care. We consider your care a TEAM process and your active participation is vital to your positive health outcome.

GENERAL INFORMATION

DEMOGRAPHICS/INSURANCE/PAYMENTS - Please alert us if your address, phone number(s) or insurance plan changes.

APPOINTMENTS - Plan to arrive 15 minutes prior to your appointment. Arrival 15 minutes or more after your appointment time is subject to no show fees and rescheduling.

LABS RESULTS - Lab results take 7-10 business days to process. We do NOT call you with lab results that can wait until your next appointment to discuss with the clinician.

REFERRALS - If you are referred to another specialist it will take up to 7-10 business days to get the referral processed. Once it is sent, you will be contacted by the accepting practice. We cannot control how long it takes them to reach you but if you have not heard from them after 2 weeks you should contact them directly.

GENERAL INFORMATION *(continued)*

MEDICATIONS - Please keep track of your medication supply! Contact your pharmacy when you are down to your last week of medications and request a refill. The pharmacy will contact us if they need to. Additionally, many prescriptions and all controlled medications require an appointment with your provider to be refilled so scheduling and keeping routine visits is the best way to ensure you do not run out of medications and potentially endanger your health.

MESSAGES – Non-urgent messages left for the doctor and/or medical assistant after 3:00pm and over the weekend may not be returned until the next business day.

MEDICAL RECORDS - We are happy to provide you copies of your medical records once we have a HIPAA compliant signed release. **There is an administrative fee of \$35.00 to copy and send medical records for your personal use.** That fee is waived if your records are sent to another provider directly. Please expect up to 30 days to receive your records.

BILLING - Billing questions or concerns can be addressed by our billing company, Assurance RCM. You may reach them by calling our office and choosing OPTION 4.

FINANCIAL POLICIES

INSURANCE - We will file Insurance charges as a courtesy. We are not responsible for how your insurance plan pays or assigns charges to you. Insurance plans change routinely. It is your responsibility to notify us if your plan changes. It is also your responsibility to verify that we are contracted with your new plan. Failure to do so could lead to non-payment by your insurance resulting in you being responsible for all charges.

LATE CANCEL/NO SHOW FEES - Because we are a specialist practice and work on cancellation lists daily to best accommodate all patients in serious need of our time, we consider it a simple courtesy to us and others for you to cancel any appointment you cannot attend 24 or more hours in advance of your scheduled appointment.

If you fail to contact the office 24 or more hours prior to your scheduled appointment to cancel or reschedule, and you miss your appointment, you are responsible for the following charges:

Please Initial: _____ \$200.00 for a routine office visit Please Initial: _____ \$500 for testing appointments

DISABILITY/FMLA AND WORK STATUS FORMS

FMLA - There is a charge of \$25.00 for the first page and \$10.00 each page thereafter for all disability/FMLA and work status related forms. The fee will be collected at the time of your visit. **These forms will ONLY be completed during an in-person office visit with a clinician.**

WORK STATUS - If you are injured and require work status/work restrictions documentation for your employer, the status/restrictions **can ONLY be obtained at an in-person office visit with a clinician.**
